1.0 Introduction

Causeway Coast and Glens Borough Council is committed to supporting event organisers, with new/or existing events, which are based in the Borough. Events may have a single theme that attract visitors to the area and enhance the profile of the Borough through positive media coverage. To this end, Causeway Coast and Glens Borough Council has developed the Tourism Event Fund to provide financial assistance to events taking place throughout the Borough.

You may find it helpful to discuss your project with one of the following officers within the Tourism Events Team before submitting your application:

Kerry McMullan 028 7034 7220 kerry.mcmullan@causewaycoastandglens.gov.uk

Gareth Fall 028 7034 7237 gareth.fall@causewaycoastandglens.gov.uk

1.1. Purpose of Grant Programme

- Enhance the visitor experience

Note: a 'visitor' for a tourism event as 'someone who comes to spectate or attend the event. They can either buy a ticket to attend the event or gain free entry, anyone who participates in the event or makes the event happen is deemed a participant and not a visitor.

- Encourage events to extend the tourism season into the off season.

| | |
|---|--|
| Employers Liability | £10,000,000 as standard |
| Public / Products Liability | Depends on the contract / nature of activities though ideally should be: |
| Low Hazard | Min £2,000,000 – eg meeting rooms, community volunteer groups, market stalls, lease of shop units etc. |
| Medium Hazard | Min £5,000,000 – eg activities involving hot food, physical activity, minor contracts etc. |
| High Hazard | Min £10,000,000 – eg fairground operators, bouncy castles / inflatables / trampolines, motorized sports, water based sports, contact sports or dangerous activities, large contracts involving heat, firework displays, marquees, traffic management, first aid etc. |
| The above limits and examples of types of activities are guidelines only – insurers would expect you take a common sense approach in order to protect Council's interest. | |

Third Party Insurance Checking

Third Party Insurance guidance from Council's Insurance Broker.

- Due diligence and good practise is applied to all health and safety issues
- Relevant risk assessments have been completed and evidence of same made available for inspection.

that organisations that have been successful in securing Council funding in the past will not automatically be guaranteed funding in the future.

| v. | Expenditure spent outside Northern Ireland | | |

Return on Investment = (Direct Economic Impact – a.) / a.

Direct Economic Impact = (Net Visitor Spend + Net Participant Spend) – Expenditure Outside NI

Net Visitor Spend = (Visitor Accommodation Spend + Visitor Non Accommodation Spend) – Revenue Lost

- Visitor Accommodation Spend = h. x £55
- Visitor Non Accommodation Spend = f. x £18
- Revenue Lost = Visitor Non Accommodation Spend x (s. / q.)

Net Participant Spend = (Participant Accommodation Spend + Participant Non Accommodation spend) – Subsidised Participation Costs

- Participant Accommodation Spend = m. x £55
- Participant Non Accommodation Spend = (l. – k.) x £18
- Subsidised Participation Costs = o.

Expenditure Outside NI = v.

The baseline economic return expected of events receiving grant aid is **5:1**. These returns are calculated based on the amount of funding requested from Causeway Coast and Glens at point of application to estimate what the return might be. We carry out another calculation post event to inform us what the actual Return on Investment has been.

How we determine the score:

| Economic Impact / return on Investment | (a) Points | Rationale | (b) Points | (a + b) Score |
|--|------------|-------------------|------------|---------------|
| 5:1 or higher | 3 points | Very Good | 2 | 5 |
| | | Good / Acceptable | 1 | 4 |
| | | Poor | 0 | 3 |

| Supplier Name | Product / Service delivered | Town Supplier is based | Estimated expenditure |
| | | | |
